Accounts Payable is at \$31k of which \$17k, is architect fees. Architect fees have not been paid as the product has not yet been received. Karl reviewed the Profit and Loss report showing tax revenue received to date at \$964k for the year, and close to the total expected. Karl reviewed line items and noted reconciliation reports. There is \$11,700 in open purchase orders.

MOTION: There was a motion by Kerry Prielipp with a second by Karl Firor to approve the August 31, 2018 Treasurer's Report as presented. The Motion passed unanimously.

5. Secretary's Report No report.

6. Insurance ReportNo report.

7. Chief's Report

Please see attached. Chief Skip Shirlaw noted calls are approaching last year's numbers. There is more and more traffic on Highway 285, the summer was busier, people are driving up to see the change of colors. In the year to date comparison, the average responders on call is now at 7, an improvement over 5 responders at this time last year. More time is being spent on calls, stats indicate 254 hours compared to 154 hours last year. We are seeing 18 to 23 people at trainings, a great number at 2/3 of the total people. Chief Shirlaw noted there have been great numbers of responders on those 2am and 3am calls. There is a Driver Course Training this week at West Metro Fire. Capt Matt Araki gets discounted costs for use of the training facilities at West Metro Fire.

Chief Shirlaw noted the trailer parked at Station 3 belongs to the Division of Fire Prevention and Control, the agency who manages wildland fire for Colorado. DFPC received 2 training trailers through a grant and provide training to districts around Colorado. There are several ways to train using the trailer. There is no cost to ICFPD. There is usually a one year wait, however, due to circumstances the trailer was offered to park at ICFPD and leave for 2 to 3 weeks. We are inviting other districts to train with the trailer. Next week we will be receiving a driving simulator. These trailers provide a great opportunity for ICFPD.

Chief Shirlaw indicated officers are closed to completing 2 grants, the lift assist and wildland grant.

We may have an opportunity to train on and burn a house. A resident who purchased 90 acres, is offering a building on the property to ICFPD for training.

The Big Chili was a huge success. Ryan Le Baron did a great job. The ICFPD booth was decorated well. Jim Ewing took 3rd place for red chili.

On October 6th the smoke detector program is being offered free to the community. Kelley Wood, Sharon Harper and Carrie McKenzie have done a great job of setting this up. We will be receiving 100 smoke detectors and 50 CO detectors from Kidde. We will be attending the media event at Denver 7 on the 20th. We will be providing packets with a lot of information to residents who sign up, including information on Close the Door and Ready, Set, Go. This is great way to reach out to the community. We are posting on social media and emailing residents. Chief Shirlaw is hoping the program grows. Chief Shirlaw noted we are not installing the detectors as this time.

Chief Shirlaw noted the Bonfils Blood Drive is September 22nd at Station 3. VEE Larry Wilson has done a great job of setting up the blood drive. Please go onto Bonfils.org to sign up.

Chief Shirlaw recognized Deputy Chief Hatlestad for how well he handled and set up coverage for the Colorado Classic Bike Race. There were 8 districts involved. Chief Hatlestad was very well organized, other departments used his plan. The event went very smoothly. Great job Chief Hatlestad.

Jennifer asked about 3 recent big calls in Deer Creek Canyon open space. Are those numbers rising? How's the training for these calls done? Chief Shirlaw responded, it is hit and miss, calls have increased this year and Chief Shirlaw expects increases will continue. Ironically we had done a training applicable to one of the calls just the week before. On the most recent call, a man and his son got lost. Wesley Fuller found them. We do map and compass trainings and are looking at some new trainings for next year. On these calls, we need people power, we have been out till 10pm on some of the park calls. We have had help from Indian Hills Fire with an ATV. Every year we do park rescue and ropes. The Hildebrandt trail is a new trail, Chief Shirlaw hiked with John Raber last month. The trail will get a lot of traffic and there will be a lot of bicycles. An ATV can get up most of the trail, Chief Shirlaw is considering an ATV purchase.

Ralph Dreher asked if Chief Shirlaw is aware of a problem developing across the street from Station

1. Chief Shirlaw confirmed he is aware there have been several weekends of events recently, however, he does not know if this is an ongoing issue. Chief Shirlaw noted he has not yet heard from Jeffco. Ralph noted it gets bad after 9pm, cars are stacked on both sides of the road, Ralph estimated 100 cars with lots of people on the road. It could be an issue if there is an emergency call. Ralph stated he is concerned. Chief Shirlaw indicted he does not believe ICFPD has jurisdiction, this may be a county issue regarding codes or law enforcement, especially if there are reports by neighbors. Chief Shirlaw stated he is looking into whether this is an ongoing issue and thanked Ralph for bringing the issue to his attention.

8. Old Business

9. New Business

9a. Appoint and Swear In New Director

Jennifer Volkman noted the Board will need to appoint a new director this evening. Jennifer proposed the Board appoint Mike Swenson. Karl commented directors have met with Mike who has attended the last few meetings. Karl concurred Mike would be a good replacement for Leslie Caimi.

MOTION: There was a motion Jennifer Volkman with a second by Karl Firor to appoint Michael Swenson to fill the vacancy on the ICFPD Board as a new Director. The motion passed unanimously.

The Oath of Office was given by Jennifer Volkman and taken by Michael Swenson. Mike was provided a Notice of Appointment for a 2 year term until 2020.

9b. Election of Officers

Jennifer advised she is willing to step in as President and suggested Mike fill her current position as Secretary.

MOTION: There was a motion by Jennifer Volkman with a second by Karl Firor to elect Jennifer Volkman as the new President and to elect Michael Swenson as the new Secretary of the ICFPD Board of Directors. The motion passed unanimously.

Mike Swenson introduced himself and stated he has been married to his wife Jan for 48 years. Mike was born and raised in Iowa. Mike and Jan have 2 daughters and are bicoastal grandparents. Mike added the fire department has been to their home several times. Mike has a Journalism degree, and a Masters in Management.

Karl advised new signers must be approved for the bank accounts this evening as well. Leslie Caimi has been taken off of accounts as a signer. Karl suggested Mike take the position as alternate. If all agree, Karl will need Mike to complete documents this evening. Kerry Prielipp stated he concurs with Mike as signer. All agreed. Karl advised he has paperwork for First Bank this evening, the Colorado Trust documents will be done at a later time.

10. Public Comment
